Date: Tuesday, May 31, 2022 11:32:05 AM

Hello COE & District Partners,

Today, the California Testing Task Force released a K-12 School Testing Framework [available as a PDF] that outlines anticipated updates to COVID-19 testing strategies for the 2022-2023 school year. The document is intended to support local health and education agencies in their ongoing planning processes.

For more information, please visit California's Testing Task Force and/or Safe Schools Hub websites.

We will be holding a special Framework Discussion Group on the K-12 School Testing Framework for the 2022/2023 School Year on:
Wednesday, June 1, 2022, at 2:00 pm

Join Zoom Meeting
https://cdph-ca-gov.zoom.us/j/3859373652

During this special discussion group, the school based testing team will:

- Discuss the newly released framework for the 2022/2023 School year and what it means for schools as they prepare to return from break in the fall
- The School Based Testing Team will be on hand to answer any questions during the Q&A

Please feel free to forward the invite to your team and other interested districts.
