

CISC Accountability Subcommittee
01.18.17 Meeting Notes

I. Welcome, Introductions

II. State Accountability System: Academic Indicator (Cindy Kazanis)

A. Update

- SBAC Consortium created levels.
- March open for revisions to SBE.
- Future release in November of each year
- Slides 22 & 24 on definition of EL in New Accountability System
- California School Dashboard (Rubrics)
 - District log ins - next week (similar to Physical Fitness test for identification - 5 step process)
 - CDS directory is where the list will be generated for emails sent to district superintendents (hoping to send out Jan. 23)
 - Private Preview - February
 - Feedback on Rubrics - Cindy will ask how we should gather feedback
 - Communications Toolkit & Webinars - February
 - Status & Change tab with the ability to download
 - COEs will only upload Local Performance Indicators
 - 5x5 to show where schools are for every indicator
- Cindy is hoping to share drafts of the Communication Toolkit with this subcommittee for input
- College & Career Indicator - status only; shown in Local Performance Indicator [Cindy to check on: Will it show for subgroups or school/district only?]
- Jorge Delacruz & Roger Rice (Ventura) - Alternative Model of Accountability
- May not see Chronic Absenteeism data in the fall - may have User Acceptance Testing; will only have one year of data regardless
- Growth model will replace “change” in the 5x5 (plan to implement Fall 2018)

A. Questions from members after SBE meeting - Item 2

- End of month or early February - technical manual on CDE’s website (designed as one for accountability coordinators)
- Each grade level will have an average
- Distance from Level 3 is to create school accountability
- Questions for Cindy to take back:

- If there are less than 30 students at a grade level, will there be a color (5x5) created?

B. Questions from members after SBE meeting - Item 2
