OUR MISSION

JCCASAC ensures student achievement by creating a collegial network of county office administrators who:

- Research and share best practices regarding new, innovative and academically challenging program options for high-risk/high potential students;
- Build partnerships with other education stakeholders;
- Provide professional development opportunities and assistance to experienced and new administrators, and nurture the future leaders of our profession;
- Provide input and guidance relative to legislation, policies, procedures and programs of relevance to our diverse student population

OUR VISION

JCCASAC is a diverse organization of passionate, collaborative professionals dedicated to empowering students to become competent, creative thinking and caring adults who lead healthy lifestyles and are academically prepared for an ever changing world and a global economy.

Serving as a Sub-Committee to the California County Superintendents Educational Services Association (CCESSA).

Application Deadline: Must be received by email on **Friday February 21, 2020**
