School Reopening Dashboard Training

March 16-18, 2021

CCEE and CCSESA are hosting a series of trainings to provide an overview of the updated data requirements and submission process for the School Reopening for In-Person Instruction Status Reporting that is scheduled to begin on March 22. Instructions to register new users/points of contact and information on the process to support LEAs through a statewide help desk will also be provided. All session materials will be posted on the CCEE website.

School Reopening Dashboard Update for County Offices of Education

This session is designed to provide updates and resources to county offices of education in their preparation to support school districts, charter schools, and private schools with the updated data collection requirements and processes.

UPDATE FOR COUNTY OFFICES - *This session is for county offices of education only.*
Tuesday, March 16 from 3:00-4:00pm
Click here to register.

School Reopening Dashboard Training for School Districts, Charter Schools, and Private Schools
