### Previous Meeting Highlights - April 2, 2021

### Ongoing Initiatives & Plans

*Should be an update for superintendents based on prior work and discussions.*

- BASC and CISC collaborated on “Leveraging Funding for Our Future” - guidance for one-time spending.
- The CCSESA Advisor Group on Pension Systems conducted its first two meetings, co-chaired by Kate Lane and Dr. Candi Clark and facilitated by Derick Lennox. The first meeting was with CalSTRS on February 26 and the other on March 12 with CalPERS. This group is a cross-section of CCSESA membership. The group goals are to have focused, solution-based collaboration with CalSTRS and CalPERS, regarding retirement reporting issues. This group is unique from other retirement reporting collaborations in that it elevates the engagement to a higher level of management for communication specifically related to proposed shifts in penalties for school districts that surfaced last year.
