

SCOE LIFEGUARD INITIATIVE

Scaling Mental Wellbeing for Stanislaus County Schools

CALIFORNIA HAS ENOUGH MENTAL
HEALTH PROVIDERS TO MEET
ONLY 26% OF NEEDS

Lifeguard Initiative

Too often, we wait until people are in over their heads in crisis before we send them a life preserver. SCOE has created a systematic approach to scaling wellbeing support for all staff and students. We create lifeguards who are strong swimmers are always on the lookout for others.

Lifeguard Training and Features

- ✓ 3-year implementation process including ongoing professional development and support
- ✓ Easier reporting for state requirements for SEL, wellness, parent outreach, etc.
- ✓ Seity Health platform for your students, employees, and parents/guardians
- ✓ Secure integration of Student Information System with Seity Health
- ✓ Digital daily wellbeing check-ins with incentives
- ✓ Real-time data and triage to inform support
- ✓ Ongoing wellbeing content and activities delivered by web and mobile apps
- ✓ Mapping and integration of district wellbeing resources onto Seity platform
- ✓ Research collaboration with Stanislaus State
