Emergency Services Team

- In October 2020, CDE formally established the Emergency Services Team (EST) with two permanent positions:
 - Joe Anderson, Lead – JoAnderson@cde.ca.gov
 - Jake Wolf, Support – JWolf@cde.ca.gov
- The EST will provide technical assistance to COEs for this program.
- Submit questions to the EmergencyServices@cde.ca.gov inbox

Allowable Activities

- Increase outreach capacity to schools needing assistance in reopening for in-person instruction or expanding the scope of safe in-person instruction.
- Confirm trainings are in place for school staff on health and safety mitigation strategies and develop plans to address masking, testing, ventilation, vaccines, and other safety mitigation strategies.

Allowable Activities (Continued)

- Partner with Local Health Jurisdictions (LHJ) and community organizations to address barriers specific to their most at-risk schools and districts.
- Address health disparities by focusing on districts and schools that have high rates of free and reduced lunch, English language learners, homeless students, and students with disabilities, combined with low rates of in-person instruction.

Allowable Activities (Continued)

- COEs are granted flexibility to meet other needs specific to their area, including services such as food, tutoring, transportation, mental health services, etc.
