## ACCELERATED LEARNING COE CAPACITY BUILDING

Deadline to express intent to register for the below trainings is August 12<sup>th</sup>. Please fill out the <u>form here</u>.

The 201 series would provide ongoing capacity building through monthly sessions focused on:

- Updating the vision for the student experience
- Adopting and/or leveraging high-quality instructional materials
- Enhancing multi-tiered system of support (MTSS)
- Ongoing stakeholder and community engagement
- Equity-focused policies and daily practices
- Progress monitoring student learning and acceleration efforts

Job-embedded support, customized to meet each COE's unique needs, would involve:

- Coach will meet with the COE team virtually 2x/month
- Teams should be cross-functional and include stakeholders at various levels
- Provide thought-partnership, feedback, resources to further the COE's acceleration priorities
- Coach and COE will use TNTP's *Acceleration Reflection Tool* to diagnose the essential priorities
