Ongoing Initiatives & Plans

Should be an update for superintendents based on prior work and discussions.

- **Labor Management Initiative presentation (Californians Dedicated to Education Foundation) - November**
- **Recruiting and retaining a diverse workforce - PASSCo is actively looking for a presenter for spring session**

Concerns & Considerations

Things the superintendents need to be apprised of in relation to steering committee interactions, work, or emerging issues.

- **Unintended issue with revisions to changes made to demonstration of subject matter competence AB 130 (Ed Code 44310) - regarding issuance of a Provisional Internship Permit and need to provide one renewal option for Short Term Staff Permits**
 - Email sent to Erin Skubal (CTC)
- **Juneteenth Federal Holiday - classified bargaining units throughout the state are filing grievances, demanding to bargain Juneteenth as a paid holiday.**

Action Items

Can include things that need input and superintendents' feedback & partnerships. Please err on the side of adding too much information.

- **Follow up is needed with the CTC regarding the Subject Matter Competency issue - PASSCo requests that there be one renewal available for Short Term Staff Permits.**
