Previous Meeting Highlights   [1/22/2021]

- CCSESA update - Derick Lennox
- CDE updates and support
- CSIS update - Greg Scull and/or Amy Fong
- CITE Update
- ECF Presentation - Cathy Benham
- CyberSecurity Presentation - Terry Loftus

Ongoing Initiatives & Plans
Should be an update for superintendents based on prior work and discussions.

- Cybersecurity Subcommittee has contracted with the center for internet security to provide TSC members training on how to implement CIS Controls V8.
- schools to promote a safe/secure learning and work environment.
- Disaster Recovery Subcommittee has creating tools for LEA's to prepare for disasters related to technology.
- Legislative Advocacy
- Digital Divide, proactively identify technology and funding for students access to technology and connectivity.

Concerns & Considerations
Things the superintendents need to be apprised of in relation to steering committee interactions, work, or emerging issues.

- ECF E-Rate Funding for Distance Learning.
- Internet Connectivity for Distance Learning.
- Working to create a data subcommittee.

Action Items
Can include things that need input and superintendents' feedback & partnerships. Please err on the side of adding too much information.

- Cybersecurity Subcommittee is focused on helping LEA's secure their environment. TSC is in the process of scheduling CIS controls training for TSC members. The training will be reordered and will be shared with all county school districts.
- Digital Divide, TSC is working with partners to identify areas of need for student and staff access to reliable Internet for distance learning.
