Dear County and District Superintendents and Charter School Administrators:

Update to the 2021–22 List of Schools Identified for Williams Monitoring

In March 2022, the California Department of Education (CDE) announced in a [letter to District and County Superintendents and Charter School Administrators](#), the 2021–22 list of schools identified for Williams monitoring. This list of schools was based on new criteria specified in Assembly Bill (AB) 599 (Chapter 667, Statutes of 2021).

One of the new criteria specified in AB 599 required the CDE to include schools where 15 percent or more of the teachers are holders of any authorization that is not a preliminary or clear California teaching credential. The CDE recently received updated information from the Commission on Teacher Credentialing (CTC) related to this credentialing criteria. Attachment 1 contains the list of 19 schools that are no longer eligible for 2021–22 Williams monitoring based on the updated data file from the CTC. An **updated** list of schools file (with these 19 schools removed) is now available on the CDE's Schools Identified for Monitoring web page at <https://www.cde.ca.gov/eo/ce/wc/wmsschools.asp>.

If you have any questions regarding this letter, please contact the Analysis Measurement and Accountability Reporting Division by email at LCFFESSAdata@cde.ca.gov.

Sincerely,

/s/

Analysis, Measurement, and Accountability Reporting Division
