

### **Student Programs and Services Steering Committee (SPSSC) Updates**

**Presenter(s):** Susan Connolly, SPSSC Outgoing Chair, Placer

**Item Type:** Action

**Recommendation:** Approve the proposed, new committee name, creation of a new subcommittee, updated protocols, and new members of the Executive Committee for a 2022-23 term.

**Background:** During the May SPSSC meeting, members discussed new committee names to remove the word “steering.” Based on the committee members’ discussion, the Executive Committee chose the name, “County Operated Student Programs.” Following CCSESA’s lead, the committee requests their name not be shortened with an acronym.

In the spirit of continuous improvement, the Executive Committee requests board approval of the following updates to the committee protocols:

- New committee name- “County Operated Student Programs Committee” (page 1)
- Replaced CCSESA with the “California County Superintendents” (throughout document)
- Streamlined description of the committee’s “Specific Purpose” (Section 3, pages 1-2)
- Updated the membership composition of the committee (Section 5, page 2)
- Proposed new subcommittee- “County Operated Charters” (Section 6, page 3 and page 8)
- Proposed expansion of Executive Committee composition (Section 11, page 4)
- Nominated new members to join the Executive Committee (Section 11, page 4). The 2022-23 nominees are linked [here](#)
- Developed specific responsibilities for the positions on the Executive Committee (Section 12, pages 4-6)
- Added the CCSESA Advocacy Protocols and CCSESA Policy Priorities (pages 9-10)

Once approved, SPSSC will change its name to County Operated Student Programs, formally onboard the 2022-23 Executive Committee, begin recruiting for the County Operated Charters Subcommittee, and post their updated protocols to their committee page on the CCSESA webpage linked [here](#).
