

# Path to Success For School Districts

## "All In for FAFSA/CA Dream Act" Completion Initiative

STEP

01

### ADOPT SCHOOL BOARD RESOLUTION

Adopt School Board Resolution and allocate funding to support efforts prioritizing the implementation of the All In for FAFSA/CA Dream Act Completion Initiative.

STEP

02

### DEVELOP DISTRICT AND HIGH SCHOOL SITE PLANS

Develop district and high school site plans that systematize how districts and schools allocate proper resources for implementation, such as dedicating class time for application completion and allocating staff resources to serve as project managers or coordinators.

STEP

03

### ANALYZE AND MONITOR THE DATA

Ensure that school site completion report data is being analyzed regularly by district or school site personnel (weekly or bi-weekly) and coordinate outreach to students who need to complete their applications.

STEP

04

### HOST CASH FOR COLLEGE WORKSHOPS

Work with the California Student Aid Commission to host Cash for College workshops and family events at the school site level or at the district in collaboration with community partners, including but not limited to Cal-SOAP projects, Regional Coordinating Organizations, and others.

STEP

05

### GET THE WORD OUT

Work with the California Student Aid Commission to leverage communications strategies and Commission materials to inform students and families about the All In for FAFSA/CA Dream Act Completion Initiative by spreading the word through social media and traditional media outlets.
