California County Superintendents January 2023 General Membership Meeting Information

Hosted by the Monterey County Office of Education

Background

The California County Superintendents provides the organizational mechanism for the 58 County Superintendents of Schools to design and implement statewide programs to identify and promote quality cost-effective educational practices and services and provide support to school districts in the areas of student services, curriculum and instructional services, fiscal accountability and business services, personnel services, and technology and telecommunications. The 58 convene in person 3 times per year to discuss emerging topics in K-12 education and to share best practices.

Registration for the meeting is [linked here](#) and closes January 16th.
