

CCSESA Training: February 15, 2017
Presenters' Agenda

I. GOALS AND OBJECTIVES

Participants will:

- Build key understanding of the California School Dashboard
- Explore navigating the California School Dashboard to identify district performance indicators and the trends and patterns that exist
- Using the interactive dashboard, engage in reflection of data to determine areas of strength, need and improvement to guide districts through an inquiry process of continuous improvement
- Build understanding of the role communication plays in creating coherent messaging about the accountability system across stakeholders
- Continue to broaden awareness of additional resources to support the LCAP continuous improvement cycle
