TAKE 5 BRIGHT SPOTS & PROMISING PRACTICES
DECEMBER 2023

This is a special edition* of "Take 5" in case you missed some of the top stories that we featured in 2023, highlighting the amazing work our county offices of education are doing across the state. Or, the stories were so good, you may just want to read them again!

*For this version, stories are organized by our top categories for the year listed below in the key in alphabetical order. *In order for the links to work, you will need to click the orange button for the interactive version.* Once the interactive version pops up, click a yellow number to select stories categorized by topic and location in the state.

To interact with this map, please click
here

Take 5! is a monthly spotlight of *promising practices* happening at county offices of education throughout the state, rotating the five that are featured and the focus areas covered. The map coordinates with the location of the stories featured this month from across our state. You can view past *bright spots* by clicking the link at the bottom of this page.
